Foglizzo Luxury Goods

DESIGN CREATES CULTURE. CULTURE SHAPES VALUES.

VALUES DETERMINE THE FUTURE.

Foglizzo Leather Goods are handcrafted products characterised by the best quality leather, artful engineering and exceptional craftsmanship. In other words, 'Made in Italy' at its best.

Each piece is lovingly fashioned by expert Italian artisans who combine traditional and modern techniques to ensure precision and superlative quality. Each product is an expression of our genuine passion, integrity and pursuit of excellence with the purpose of creating outstanding objects of enduring design.

Blending good looks with superlative quality our DOMUS products add a touch of elegance and class to any environment. Made of soft Italian leather that takes on a rich patina over time, each perfect piece is infused with the spirit of customisation.

Atelier Foglizzo is all about authenticity, creativity and quality. With a vast palette of colours and leather types to choose from, you can be sure of finding exactly the right combination for your needs, whether for your own home or as a special gift.

Domus Collection was born with three souls to satisfy our customers personal style. It is decline in different lines.

The PURE line is the choice of leather object lovers, classic lines and perfect stitching are distinctive features, welcoming and comfortable items that will last over time and give emotion every day in every home.

The FOLD line is modern and contemporary. Its unstructured geometries is the perfect match with the tactile nature of nubuck and nappa. A reinterpretation of leather objects without seams and with captivating volumes.

The newest collection of Foglizzo items is the BRASS line.

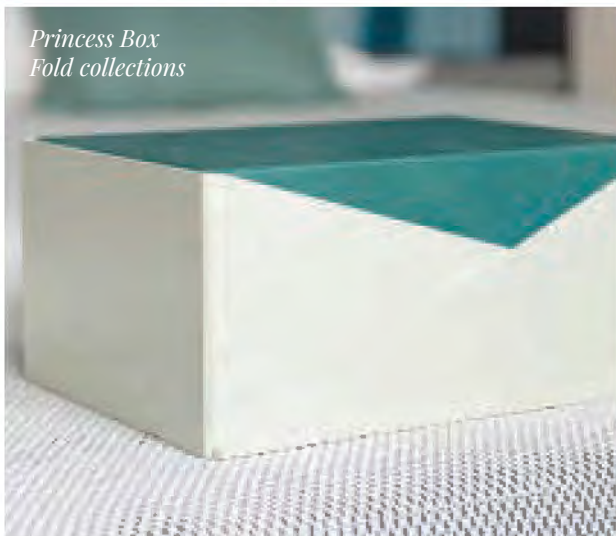

With an elegant and sophisticated approach, the Brass line combines the finest nubuck and nappa leathers with the soft gleam of satin brass and much admired stingray leather.
